## Authorisation form

### Members and Parents Form authorising the Düsseldorf Dragons Rugby Club, Rugby department of the TuS 1895 Düsseldorf e.V., to collect and Use personal data

The Düsseldorf Dragons Rugby Club, Rugby department of the TuS 1895 Düsseldorf e.V., has to collect and use personal data from its members and from the parents or legal representatives of members aged under 18 years old. In order to protect the usage of these personal data, the Düsseldorf Dragons Rugby Club has implemented a personal data management and protection policy which is available on its Internet site and at the Düsseldorf Dragons' office.

As part of this policy, members and parents (or legal representatives) must give their agreement in writing for the collection and usage of their personal data and the ones from their child(s) by the Düsseldorf Dragons Rugby Club. For all kids under 18 years old, parental agreement is enough.

It is important to remind that when a person freely decides to participate in a situation or a process in which personal data may need to be collected for a reasonable purpose, an implicit agreement may be considered as given. It concerns:

- The membership form
- The events organised by the Düsseldorf Dragons Rugby Club

#### Exception to the right to access:

The law does not include the right to access all information held by an organisation. Thus the Düsseldorf Dragons Rugby Club reserves the right to deny access to:

- Data or documents that would provide personal information on other persons, thus infringing the regulation.

I took note of the personal data management and protection policy implemented by the Düsseldorf Dragons Rugby Club, Rugby department of the TuS 1895 Düsseldorf e.V., and I authorise the Düsseldorf Dragons Rugby Club to collect and use my personal data or the personal data of the child or children I am legally responsible for.

I authorize the Düsseldorf Dragons Rugby Club, Rugby department of the TuS 1895 Düsseldorf e.V., to transfer the identification personal data into its membership management application.

I am informed of the nomination of a person responsible of the personal data handling and protection within the Düsseldorf Dragons Rugby Club.
